Moving Bodies Pty Ltd wishes to advise of the risk of injury associated with the sporting activities that are organised at our premises.

Moving Bodies takes every precaution to ensure our classes offer the highest standard of safety. The wellbeing, health and safety of our members and coaches are of utmost importance.

Participating in sporting activities at our Centre are however done so at the participant's own risk. Parents and carers are responsible for their child's health should any injury occur.

Our coaching staff have relevant industry qualifications and experience. All staff undergo Working with Children Checks and have completed First Aid requirements.
